Events for boys will precede events for girls

Please note: There will not be any finals this year due to the changed format of the day. Students will be selected based on the 8 fastest times across all the heats in each age group. With all events, the children swim in only one race, referred to as 'Timed Finals'. Final places will be determined by the best times achieved in the heats, rather than a separate final.

Phase 1 Buses leave Lane Cove Pool at 12.30 pm (approximately).

Phase 2 buses leave Lane Cove Pool at 2.30 pm (approximately).

At the conclusion of the carnival, please remember to collect all your property, to take home with you. Names will be marked off the class rolls and students will move promptly to the buses
