### **8a) Uniform shop Report**

Ginita Taylor stepped down as Uniform Shop Manager effective 3 August. Sarah Wilson, a current volunteer is taking over the running of the shop in a paid capacity. Lyndsey Bramble will take over the management of the second hand sales held once a month. It has been a relatively quiet start to the term as far as uniform orders go (start of term 3 tends to be the quietest of all four terms).

## 8c) Band

**Senior Band** students are ready and very excited to perform at the UNSW Band Festival. This is one of the major events in the school calendar. This unique experience aims to create awareness of themselves and their peers as well as the audiences as part of the exposure to an extended environment beyond the rehearsal hall.

In the band rehearsal context we are heading towards:

- extending their understanding of the elements of music
- matching pitch (tuning) and showing the direction of music phrasing
- recognising differences between other sections of the ensemble
- recognising and discriminating between melodic line, accompaniment and rhythm
- learning to perform for an audience, extending their awareness of themselves and others as performers
- and as usual lot of fun.

**Concert Band** are preparing for the Alex Lithgow Premier Event at UNSW on August 5th. Seven members are unable to attend so students have put their hands up to play other instruments. Everyone is working very well in their new roles. Discussions are underway for the end of year performance and location.
