War has impacted all families on some level. This year marks the 100th year anniversary of our school Honour Roll, which features the names of ex-pupils who "nobly responded to the Empire's call to defend our honour and liberty in World War I". (Ref: Neutral Bay Public School Honour Board) Neutral Bay Public School will be making our own Wall of Remembrance to honour those who have served in all wars/conflicts.

We have provided a template for you to complete as a family to be proudly displayed in the office area.

Please save this document to your computer to enable you to type in the details and return by Friday 5th April to the office or email to neutralbay-p.school@det.nsw.edu.au.

Please be a part of our Wall of Remembrance to commemorate this special occasion.
