### Band Concert

The Reunion Band Concert is being held at Neutral Bay Public School Hall on this Sunday, 8 December. The Concert begins at 4.00pm comprising the Concert Band, Senior Band, Junior Band and returning students. All parents and students are welcome to attend.

### P & C End of Year Picnic

The P&C will be holding the End of Year Picnic on Friday 6 December from 6.00pm to 8.00pm. Further information is provided on page 10 of this week's Newsletter.

### 2019 P & C Association AGM

The 2019 P & C Association AGM will be held on Wednesday 11 December at 7.30pm in the Music Room. This year we will be thanking many of the P & C Executive for their tireless service to the School Community following their 3 year term of office. We look forward to seeing many parents at the meeting.

### Semester 2 Reports

Reports will be sent home to parents on Monday 16 December. Teachers have prepared these reports both professionally and thoroughly, and I have been very impressed by the quality of comments made. Reading your child's report with them is a wonderful way to help them reflect on their achievements, learning, participation in school life and work habits throughout the semester. Our school values of respect, responsibility and personal best contribute to each student's success as a learner academically, socially and emotionally.

### End of Year Picnics

On Tuesday 17 December the students will have a picnic day to celebrate the end of the school year. As a lead up to this day the students should not bring in confectionary to eat at school. On picnic day the students are welcome to bring a small amount of picnic food to share. Further information will be sent home shortly.

Kind regards,

**Judy Goodsell**  
Principal

As we are approaching the end of year, the library is starting to wind down. Please be mindful of the following dates to ensure we have all of our books returned by the end of the year.

**All books are due to be returned by Friday 13 December.**

We would greatly appreciate your cooperation.

## Week 7 PSSA T-Ball

### Homerunners

Today Neutral Bay 1 played a dramatic and challenging game against Neutral Bay 2. We won 12-10. I think we fielded amazingly with a tremendous triple out, but our batting could have been significantly better. Daniel hit the ball around the world but was unlucky not to get home. Player of the match was Daniel Becker.

Joe K 6M

### Stealers

We played against Neutral Bay 1. Our batting requires improvement but our fielding was absolutely brilliant. Our team ran like speedy cheetahs. There were crazy cheers when Neutral Bay 1 hit the winning run. The score was 10-12. It has been a fun season and we learnt a lot. The most valued player was Evie Miller.

Lucian S 6M

### Double Outs

Today the Double Outs (Neutral Bay 3) played Artarmon 4 and the score was 14-7. We need to improve our placement of the ball when we are batting but we did really well with our communication. Rylan Neri, I believe did an outstanding job in the field and had a great catch at the end.

Laci W 6P

### MVPs

Today was a beautiful day at Tunks Park. Neutral Bay 4 played Middle Harbour 1. We beat them 22-5. We fielded really well. The most valued player was Amelia Charlson. We would like to thank Mrs Remenyi for being a good coach.

Oliver D 5R

### Sliders

Today Neutral Bay 5 played Anzac Park 3. We won 17-12. Our fielding was great today and we got quite a few catches. We need to work on communication and not telling people to run. I chose Liam O'Neill as the most valued player because he batted sensibly and well, and he got a nice catch at first base.

Anton S 5T

### Strikers

Our game was a draw. I saw that lots of people have improved and lots of people had a great hit. We had to sub people off each inning but they didn't complain. Strikers vs Cammerary 3. Most valued player Alejandra Leon-Vela. Jolyon P 5K

## Kindergarten News

This term Kindergarten have been learning all about fairytales. In KH we read Little Red Riding Hood and shared our thoughts and feelings about The Big Bad Wolf. We created our own portraits of the BBW and described what we decided he was really like. Some of us thought he was evil and some of us thought he was just misunderstood.

We also learnt a trick that professional authors and illustrators use to engage their readers. It is called 'Show, don't tell'. We used iPads to zoom in on our wolf. We then used engaging adjectives to describe what could be seen, without giving away that it was a wolf. We all decided that if we read our 'Show don't tell' in a story we would DEFINITELY want to read on and find out what it was in the picture.

Here are some of our wolves with our descriptions and our 'Show, don't tell!' pages.

Mrs R. Keeling - KH Class Teacher

## Stage 1 News (Years 1 & 2)

This term, Year 1 has been learning about weather and seasons in Geography. We've been thinking about the different activities we enjoy doing in different seasons and we've been learning about how the weather affects places and how we care for those places. In 1D we have discovered that many of us enjoy going to the snow in winter and most of us enjoy going to the beach in summer so 1D did some paintings of Bondi Beach from a birds-eye perspective.

Mrs M. Dudley - 1D Class Teacher

## Stage 2 News (Years 3 & 4)

4R have enjoyed exploring history through the use of Virtual Reality. They have taken guided and self-guided tours of Parramatta Park and explored the Park's many significant historic sites as well as gaining insight into Australia's early colonial history. Google has captured 360-degree images from inside buildings such as the Dairy and the Rangers Cottages, allowing students to move through them and inspect details in high definition. The virtual tours showcase convict-era architecture and building techniques, and feature stories about people who made the buildings their home.

4R are looking forward to their excursion on Friday to Observatory Hill to further their understanding of early colonisation.

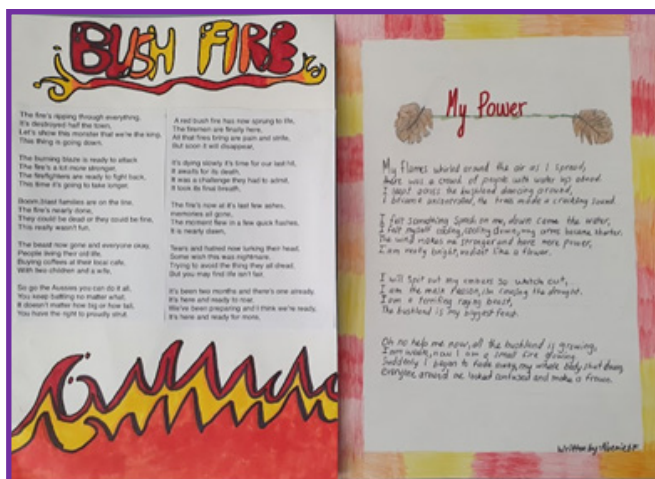

Mrs J Rudolph - 4R Class Teacher

## Stage 3 News (Years 5 & 6)

This week 6F are designing their own drama movies as a fun project to finish off the school year. Students are split into small groups and are creating their own unique story. This story is then being developed into a script ready for filming. The class have been interested in doing an activity like this for a majority of the year! Everyone is working collaboratively and having a go.

Additionally, 6F have also been writing bushfire themed poems after Australia's recent disasters. The students have been drawing inspirations from the stories of farmers effected by the fires as well as the struggling wildlife.

Mrs J Foley - 6F Class Teacher

## P&C News

### Gift Cards Express

Buying Gift Cards online = raising money for our school

Neutral Bay Public have been offered a unique opportunity to raise funds for the P&C through a local family business this Christmas.

This Christmas (or for any occasion) instead of buying Gift Cards at the Supermarket, we would like to encourage you, your family and friends to buy them online at [www.giftcardexpress.com.au](http://www.giftcardexpress.com.au)

When you do, Neutral Bay Public School P&C will receive 50% of the profits from each gift card sold. All you have to do is enter the code NBPS when you buy on [www.giftcardexpress.com.au](http://www.giftcardexpress.com.au).

Gift Card Express is the largest website of all digital and plastic gift cards in Australia and they will deliver eGift cards to your inbox or have the plastic cards delivered to you or your loved one's door.

The more people who buy Gift Cards from this site using the code NBPS in the Promotion Code section means the more funds will be raised for the School's P&C.

This potentially can be a great fund raiser for the school, so please tell your family and friends to buy from [www.giftcardexpress.com.au](http://www.giftcardexpress.com.au)

This means you may find some items disappear off flexi schools in coming weeks as we try and use up as much of our stock as possible. Please come and see us or give us a call if you have any concerns and we'll do our best to accommodate everyone.

Please remember for all PSSA students, no hot food is to be ordered. Sandwiches (not toasties), and sushi are best. Please also select **\*\*PSSA\*\*** in Flexischools so we can have these prepared earlier than usual, to ensure your child is fed on time.

May we remind all volunteers to have your hair tied back, and closed toe shoes (no thongs or open toe sandals). Also, please remember to sign in at the office and receive your visitors lanyard before arriving at the canteen.
